What's New

- 3Q20 net profit came in at Bt603m (-34% y-o-y, +45% q-o-q)
- 4Q20F earnings to improve q-o-q but GPM to remain low on inventory clearance strategy
- FY21F earnings to increase 24% y-o-y but downside risk remains from opening of its hospital business
- Maintain FULLY VALUED with TP of Bt10.30

Still under pressure

Investment Thesis:

Weighed down by mid-range to low-end segments amid weakening economy: PSH is a leading residential developer with a diversified portfolio, but its emphasis is on townhouses and the mid-range to lower-end segments. As the majority of the company's portfolio is in the mid-range to low-end segments, we believe its recovery is likely to take some time amid a weak overall market.

Inventory clearance strategy to continue and weigh on margins: We expect its FY21F GPM to remain under pressure as promotional campaigns to continue, but to be saved by improving sales and lower SG&A expenses, as PSH plans to tighten its cost and use outsourced services more. Nonetheless, we expect FY21F earnings to increase by 24% y-o-y from a low-base in FY20F.

Downside risk for FY21F earnings from hospital business: While PSH has guided for FY21F losses of c.Bt300m from the hospital business which is expected to commence operations in May 2021, we have yet to bake in the potential losses into our assumptions

Valuation

We maintain our FULLY VALUED rating with TP of Bt10.30, based on 6.3x FY21F EPS.

Where we differ:

We are more conservative on GPM in FY20F: Our FY20F earnings forecasts is 8% lower than the streets on lower GPM. On the other hand, our FY21F earnings is slightly higher than the streets on lower SG&A expenses.

Key Risks to Our View:

A weak economy, weak presales, delays in securing Environmental Impact Assessment (EIA) approval, and construction delays are key risks for PSH.

WHAT'S NEW

Q-o-q improved from lower SG&A expenses

Recap

3Q20 net profit still down **34%** y-o-y but improved **45%** q-o-q, as expected: PSH posted 3Q20 earnings of Bt603m (-34% y-o-y, +45% q-o-q). This came in line with the streets' expectation. The y-o-y drop stemmed from lower revenue and GPM, while the q-o-q improvement was mainly due to lower SG&A expenses.

Revenue and GPM still have yet to fully recover: Revenue stood at Bt6.4bn, dropping 25% y-o-y but inching up 3% q-o-q. Only TH and SDH enjoyed rising revenue on a q-o-q basis. Meanwhile, blended GPM dropped to 32.1% in 3Q20 vs. 35.1% in 3Q19 but inched up from 31.9% in 2Q20, due mainly to promotional campaigns.

Lower SG&A saved 3Q20 performance: SG&A expenses dropped 34% y-o-y and 14% q-o-q, leading to a drop in SG&A to sales in 3Q20 to 18.2% from 20.6% in 3Q19 and 21.7% in 2Q20. This was mainly due to tighter cost controls.

Outlook

To focus on inventory clearance and "Hero" projects, while PSH plans to launch more in FY21F: PSH plans to launch only two new low-rise projects in 4Q20F with a combined value of Bt2bn, bringing FY20F new launches to Bt16bn (-62% y-o-y). Nonetheless, besides new launches, PSH still plans to continue executing promotional campaigns to clear its completed inventory and focus on selling its Hero projects. Meanwhile, PSH expect new launches in FY21F to jump to 30-35 new projects with a combined value of Bt30-35bn, of which roughly 25-30 projects will be low-rise projects, and five condominium projects.

4Q20F earnings to be pressured by weak margins, and the same goes for FY21F: Despite seeing only a slight improvement in 3Q20 transfers, we expect its transfer to jump q-o-q in 4Q20F on the back of (i) its Hero projects, (ii) new condominium project transfers – namely the Reserve Sukhumvit 61 (Bt2.7bn, 98% sold), (iii) new project transfer continuation for both condominiums and low-rise projects that were rolled out in 9M20, and (iv) promotional campaigns. Nonetheless, the stronger transfers in 4Q20F are expected to come at an expense of GPM, with management guiding for FY20F GPM of c.32% that is lower than its 9M20 GPM of 33.4%. Nonetheless, we still expect earnings to improve q-o-q

and peak in 4Q20F but its y-o-y performance will still contract. At the same time, we expect its FY21F GPM to remain under pressure but to be saved by improving sales and lower SG&A expenses, as PSH plans to tighten its cost and use outsourced services more.

As a result of on-going promotional campaigns and the jump in new launches in FY21F, we nudge down our FY20F earnings by 8%, while maintaining our FY21F earnings on the back of revenue upward revision being offset by GPM downward revision.

Maintain FULLY VALUED with higher TP of Bt10.30: So far, residential developers have recovered unevenly, but we note that those that focus on lower-end segments have been hit the hardest, what with the low purchasing power of low-income earners. Additionally, its FY20F net profit is expected to plunge 46% y-o-y before bouncing back by 24% y-o-y in FY21F — with lingering downside risks arising from the debut of its "Vimut" hospital in 2Q21F that we have yet to incorporate into our FY21F assumptions. As a result, we maintain our FULLY VALUED call with a TP of Bt10.30, based on 6.3x FY20F EPS.

Company Background

PSH owns 98% of PS, Thailand's leading residential property developer. The company develops townhouses, detached houses and condominiums for low-to-mid income earners. The company has 187 outstanding projects in Thailand worth a combined Bt206.9bn. PS owns seven precast concrete factories, with a total capacity over 640 housing units per month. Its in-house precast manufacturing capability has helped shorten production period, improve quality control and reduce labour cost.

THAI-CAC (as of Jun 2019)

Corporate Governance CG Rating (as of Oct 2019)

Certified

THAI-CAC is Companies participating in Thailand's Private Sector Collective Action Coalition Against Corruption programme (Thai CAC) under Thai Institute of Directors (as of May 2018) are categorised into:

Corporate Governance CG Rating is based on Thai Institute of Directors (IOD)'s annual assessment of corporate governance practices of listed companies. The assessment covers 235 criteria in five categories including board responsibilities (35% weighting), disclosure and transparency (20%), role of stakeholders (20%), equitable treatment of shareholders (10%) and rights of shareholders (15%). The IOD then assigns numbers of logos to each company based on their scoring as follows:

Score	Description	on
Declared	Companies that have declared their	r intention to join CAC
Certified	Companies certified by CAC.	
Score	Range Number of Logo	Description
90-100		Excellent
80-89		Very Good
70-79		Good
60-69		Satisfactory
50-59		Pass
<50	No logo given	N/A

DBSVTH recommendations are based on an Absolute Total Return* Rating system, defined as follows:

STRONG BUY (>20% total return over the next 3 months, with identifiable share price catalysts within this time frame)

BUY (>15% total return over the next 12 months for small caps, >10% for large caps)

HOLD (-10% to +15% total return over the next 12 months for small caps, -10% to +10% for large caps)

FULLY VALUED (negative total return, i.e., > -10% over the next 12 months)

SELL (negative total return of > -20% over the next 3 months, with identifiable share price catalysts within this time frame)

*Share price appreciation + dividends

GENERAL DISCLOSURE/DISCLAIMER

This report is prepared by DBS Vickers Securities (Thailand) Co Ltd ("DBSVTH"). This report is solely intended for the clients of DBS Bank Ltd, DBS Vickers Securities (Singapore) Pte Ltd, its respective connected and associated corporations and affiliates only and no part of this document may be (i) copied, photocopied or duplicated in any form or by any means or (ii) redistributed without the prior written consent of DBS Vickers Securities (Thailand) Co Ltd ("DBSVTH").

The research set out in this report is based on information obtained from sources believed to be reliable, but we (which collectively refers to DBS Bank Ltd, its respective connected and associated corporations, affiliates and their respective directors, officers, employees and agents (collectively, the "DBS Group") have not conducted due diligence on any of the companies, verified any information or sources or taken into account any other factors which we may consider to be relevant or appropriate in preparing the research. Accordingly, we do not make any representation or warranty as to the accuracy, completeness or correctness of the research set out in this report. Opinions expressed are subject to change without notice. This research is prepared for general circulation. Any recommendation contained in this document does not have regard to the specific investment objectives, financial situation and the particular needs of any specific addressee. This document is for the information of addressees only and is not to be taken in substitution for the exercise of judgement by addressees, who should obtain separate independent legal or financial advice. The DBS Group accepts no liability whatsoever for any direct, indirect and/or consequential loss (including any claims for loss of profit) arising from any use of and/or reliance upon this document and/or further communication given in relation to this document. This document is not to be construed as an offer or a solicitation of an offer to buy or sell any securities. The DBS Group, along with its affiliates and/or persons associated with any of them may from time to time have interests in the securities mentioned in this document. The DBS Group, may have positions in, and may effect transactions in securities mentioned herein and may also perform or seek to perform broking, investment banking and other banking services for these companies.

Any valuations, opinions, estimates, forecasts, ratings or risk assessments herein constitutes a judgment as of the date of this report, and there can be no assurance that future results or events will be consistent with any such valuations, opinions, estimates, forecasts, ratings or risk assessments. The information in this document is subject to change without notice, its accuracy is not guaranteed, it may be incomplete or condensed, it may not contain all material information concerning the company (or companies) referred to in this report and the DBS Group is under no obligation to update the information in this report.

This publication has not been reviewed or authorized by any regulatory authority in Singapore, Hong Kong or elsewhere. There is no planned schedule or frequency for updating research publication relating to any issuer.

The valuations, opinions, estimates, forecasts, ratings or risk assessments described in this report were based upon a number of estimates and assumptions and are inherently subject to significant uncertainties and contingencies. It can be expected that one or more of the estimates on which the valuations, opinions, estimates, forecasts, ratings or risk assessments were based will not materialize or will vary significantly from actual results. Therefore, the inclusion of the valuations, opinions, estimates, forecasts, ratings or risk assessments described herein IS NOT TO BE RELIED UPON as a representation and/or warranty by the DBS Group (and/or any persons associated with the aforesaid entities), that:

- (a) such valuations, opinions, estimates, forecasts, ratings or risk assessments or their underlying assumptions will be achieved, and
- (b) there is any assurance that future results or events will be consistent with any such valuations, opinions, estimates, forecasts, ratings or risk assessments stated therein.

Please contact the primary analyst for valuation methodologies and assumptions associated with the covered companies or price targets. Any assumptions made in this report that refers to commodities, are for the purposes of making forecasts for the company (or companies) mentioned herein. They are not to be construed as recommendations to trade in the physical commodity or in the futures contract relating to the commodity referred to in this report.

DBSVUSA, a US-registered broker-dealer, does not have its own investment banking or research department, has not participated in any public offering of securities as a manager or co-manager or in any other investment banking transaction in the past twelve months and does not engage in market-making.

ANALYST CERTIFICATION

The research analyst(s) primarily responsible for the content of this research report, in part or in whole, certifies that the views about the companies and their securities expressed in this report accurately reflect his/her personal views. The analyst(s) also certifies that no part of his/her compensation was, is, or will be, directly or indirectly, related to specific recommendations or views expressed in the report. The research analyst (s) primarily responsible for the content of this research report, in part or in whole, certifies that he or his associate does not serve as an officer of the issuer or the new listing applicant (which includes in the case of a real estate investment trust, an officer of the management company of the real estate investment trust; and in the case of any other entity, an officer or its equivalent counterparty of the entity who is responsible for the management of the issuer or the new listing applicant) and the research analyst(s) primarily responsible for the content of this research report or his associate does not have financial interests² in relation to an issuer or a new listing applicant that the analyst reviews. DBS Group has procedures in place to eliminate, avoid and manage any potential conflicts of interests that may arise in connection with the production of research reports. The research analyst(s) responsible for this report operates as part of a separate and independent team to the investment banking function of the DBS Group and procedures are in place to ensure that confidential information held by either the research or investment banking function is handled appropriately. There is no direct link of DBS Group's compensation to any specific investment banking function of the DBS Group.
